- **Aerospace 1&2:** Four semester curriculum leads cadets to an FAA private pilots license. Aerospace 1 is “ground school” preparation for the FAA written exam. Aerospace 2 is a hands-on flying course designed to prepare cadets for the FAA “check ride.”

- **ESL classes all grade levels.** It will take the place of a regular English class. The classes are composed of learning objectives of the regular English curriculum. Once a cadets’ grade level reading ability is reached, he will be assigned to a regular English class. Most cadets participating in this program should reach grade level reading within two semesters.
