EXPLANATION OF TUITION AND SET FEES:

Application Fee: This is a one time, non-refundable fee to cover the administrative costs of handling the application. Processing of the application will not commence until the application fee is received by the Academy.

Reservation/Security Deposit: When the applicant is accepted for enrollment, an enrollment contract will be forwarded to you for signature. The contract must be returned together with the \$1,800.00 reservation/security deposit (\$1,050.00 for mid-term enrollment) 30 days from acceptance confirmation or as indicated by "date due" to reserve a place on the Cadet roster. The enrollment contract may be rescinded and the reservation deposit will be refunded **only** upon written notice to the Academy postmarked, emailed or faxed no later than the 1st of July for Fall enrollment or the 15th of December for mid-term enrollment. Failure to provide timely notice will result in forfeiture of the deposit.

The deposit is credited to your account and applied toward payment of Cadet special fees and charges, and elective fees and charges on a monthly basis. Should the deposit be depleted before the end of the school year, Cadet special fees and charges and elective fees and charges are thereafter payable upon receipt of each monthly statement. Any remaining deposit balance is refunded after graduation or upon completion of the contract term for non-returning Cadets. For a re-enrolled Cadet, deposit must be replenished no later than 1 July for the upcoming academic year.

Enrollment at the Academy is a commitment through the end of the academic year. Withdrawal after the first school day will result in forfeiture of the deposit. (See Enrollment Contract or Re-Enrollment Contract and Refund Policy for terms and details of tuition refunds.)

Uniform Fee: It is important to distinguish between Academy Issue and Marine Corps JROTC issue. Uniforms issued by the Academy, which include dress blues, become the property of the Cadet. JROTC items, however, **MUST** be returned to the Quartermaster. Failure to return JROTC uniform items will result in charges against your account for replacement.

EXPLANATION OF ELECTIVE FEES:

Flight Training (Aerospace Courses I: Academic Year): Two semester science elective ground and flight training course that prepares the foundation and prepares the student to pass the FAA check ride, oral exam, and Airmen/Pilot Knowledge Test. Requires a student to be at least 16 years of age to start, US citizenship or TSA approval for non-US citizens. Aerospace I must be completed before taking Aerospace II.

Flight Training (Aerospace Courses II: Academic Year): Two semester science elective ground and flight training afterschool activity. Aerospace I must be completed before taking Aerospace II.
